To: Ravalli County Commissioners:

Stevensville School District has become concerned due to growth of the Town of Stevensville to the east and south. The lack of any pedestrian pathways on Middle Burnt Fork Road has become a great safety concern for the District. Due to this concern we are asking the County Commissioners to place as a top priority, pedestrian pathways on Middle Burnt Fork Road starting from Eastside Highway and Middle Burnt Fork Road east to the corner of Logan Road on the rebuilding plans for this county road.

Sincerely,

Bill Goslin  
Board Chair  
Stevensville Public Schools
